

The 5th annual 2-day **Strange Folk Festival** happens September 25 & 26 in O'Fallon Illinois from 10am to 6pm both days!

We are hosting 150 indie crafters and artists from across the country. Our weekend lineup of live indie rock, pop and folk music can be found on the website. Add good food, free wi-fi, activities for kids, and you have "Strange Folk", the **Heartland's largest outdoor indie art festival**. Just 15 minutes from downtown St Louis, easily accessible from both sides of the Mississippi. Family-friendly Strange Folk offers free admission and was voted "best craft festival in St Louis" by the River Front Times.

Strange Folk has gained notability for its spunky counter-culture theme, and eclectic variety of vendors selling retro, punk, pretty, urban handmade crafts in affordable price ranges that makes it possible for anyone to afford one-of-a-kind handmade creations. Notoriety has grown with national sponsorship. Log on to
